Genie Quick Tester

Fake note detector pen

Efficient counterfeit detection

GENIE Quick Tester

The fake note detector pen for quickly checking banknotes such as the euro, US dollar or Swiss franc.

Real money: Marking is light yellow and fades quickly

Counterfeit money: Marking is dark and clearly visible

Genie Quick Tester Plus

Fake note detector pen with UV lamp

GENIE Quick Tester Plus

The fake note detector pen with integrated UV lamp for double security

Pen test: Same as Quick Tester
UV light: Reveals typical security features of banknotes
